CONTRACT LET FOR SOLANO SCHOOL HOUSE

The county board of Education met at the county seat last Saturday afternoon and approved the various district budgets of the county and transacted a large amount of other business.

The contract for the Solano school building was let to S. E. Phelphry of French, New Mex. and work will be started within a few days on this fine building. The contractor has an even one hundred days to complete the building and he states that it will be finished by the first of the month of October. The building will be of brick and two stories high and in every way modern thruout. There will be eight class rooms including a fine auditorium.

A complete water system will be installed in the building as a fine well has just been completed which will insure ample water to meet all of the needs of the building.

The plans for the school were drawn by Architect Burnett of El Paso and are considered one of the finest sets of plans of this kind of buildings in the state. Noel Burton of Solano will have charge of the work of overseeing the construction work.

The county board also fixed the salaries of teachers for the coming school year as follows: First grade, three years or more experience- \$110.00 per month. First grade, two years experience- \$105.00 per month. First grade, one year experience 100 dollars per month. First grade, no experience-ninety-five dollars per month.

No third grade teachers will be employed this term. The municipal boards of Roy, Mosquero and Springer have no first grade certificates with no experience will be paid only ninety dollars per month. No second grade teachers will be employed by the municipal boards. High school teachers will be paid a salary of one-hundred and fifty dollars per month.

The rural districts were allowed five dollars per month for janitor work and the other general expenses were allowed the same for all districts with the exception of fuel and repairs. Each district was given fifteen dollars for library purposes.

Mills and Mosquero will have two high school teachers this year, Solano will have one and Roy will have four and a superintendent. Roy will maintain a complete four year high school course. The whole county budget is somewhat heavier than last year and will probably take another mill or two taxation to cover same but the board felt that the schools must be taken care of, and while they cut expenses in every way possible, they felt that it would be doing the schools a wrong to retrench too much on school salaries and expenses.

NOTICE

Public notice is hereby given that a duly authenticated copy of the last will and testament of John W. Robertson has been filed for probate in the office of the Probate Clerk for the County of Harding, New Mexico; that all persons having claims against the estate of John W. Robertson, are requested to file the same with Ward, Askren & Hedgcock of East Las Vegas, New Mexico, the authorized attorneys of the undersigned executors, of said will.

W. R. BRASHEARS HOME BURNS

The W. R. Brashears house on the west side of town, near the Self sanitarium, was discovered to be on fire Sunday afternoon about four o'clock and within a few minutes the building was a roaring mass of flames. The flames leaped across to the smoke house and out-buildings of the sanitarium and they were also soon destroyed.

It was only by the heroic efforts of the Roy Volunteer Fire Department that the sanitarium was saved as it is less than 75 feet from the burned buildings and the high wind carried the blaze directly toward the sanitarium. The city fire chemical wagon did excellent work while it lasted and the numerous small extinguishers and strong bucket brigade kept the blaze from gaining much headway, and altho the place was ablaze several times, the local fighters finally succeeded in saving it. Practically all the Self place, for if it should have burned so would the Holmes home have gone up in smoke also.

had given up that it was useless to try to save the sanitarium and the furniture had been removed from the building, and all preparations made to abandon it, but the volunteer fighters scorched and blistered continued their work and when one had to give up a dozen were ready to take his place. A great deal of credit is due Captain O.H. Redd and his men for the manner in which they worked and the danger they underwent in saving.

Just the exact cause of the fire is unknown, but it is reported that two small boys were seen to leave the house a few minutes before the fire, and both boys are said to have had matches in their clothes and as there were a number of papers in the house it would have been an easy matter to have set the papers on fire causing the blaze. While the above is not verified, yet this seems to be the consensus of opinion of people who first discovered the fire.

Mr Brashears and family had moved from the place to the farm several months ago and there was nothing in the house except a small camping outfit and some papers. The loss to Mr. Brashears will amount to about \$1200 and the loss to Dr. Self will be about \$500.00 the Brashears loss is partly covered by insurance but Dr. Self had no insurance on his out buildings.

NOTICE

To the voters of Harding County, N. M. Republicans, Democrats and ladies voters of Harding County have insisted on me running for sheriff of Harding County and wish to announce to the public that I have decided to run for sheriff regardless of politics and if elected will do all in my power to enforce the laws, stop boot-legging, gambling and make Harding County a respectable place to live in.

A vote for Gibson will be well worth your time at the polls if you want the laws enforced.

John F. Gibson

NOTICE

I am putting out poison for rodents on my place near Gladstone, N. M. Union County. All persons will please take notice and govern themselves accordingly.

Henry Schnell

Las Vegas, N. M., June 8.—The New Mexico Normal University is now turning out its own newspaper from its own printing plant and probably is the only school in the state to do so. Students at the summer session were greeted Monday, the opening day, by the first issue of the Normal University News, which contained much valuable information to newcomers and a complete account of the events of commencement week.

The paper, a six page, 4 column by 12 inch weekly, succeeds the Trigonian News, a student publication which had been issued twice monthly for the past eight years. The first edition was gotten out by students under direction of Professor Clark E. Persinger, who has been conducting a class in printing. The Normal University recently bought out the entire plant of a defunct weekly newspaper, a department of journalism is expected to grow out of the interest shown in newspaper work and printing.

10,000 ACRES OPENED TO ENTRY AT CRUCES

Las Cruces, N. M. June 10.—Miss Nemecia Ascarate, register of the U. S. Land office at Las Cruces, announces that 10,000 acres of land, 5,000 of which is within the Elephant Butte irrigation district, formerly with drawn under the eclamation act and for reservoir site, has been restored and will be subject to entry at the land office here, as follows:

From June 29 to September 27 1922, the land will be subject to entry under the homestead and desert land laws by qualified ex-service men of the world war who have been honorably discharged or separated from the service or placed in the army or navy reserve. Such applicants may file their applications and conflicting applications disposed of by lots.

From September 28 to October 18, any remaining unentered lands will be subject to homestead entry only by qualified entryman. Application may be filed from September 8 to 27 inclusive, such applications to be treated as simultaneous applications.

Beginning October 19, any remaining lands will become subject to entry under any applicable land law.

HARDING COUNTY INSTITUTE IS WELL ATTENDED

The Harding County Institute which opened in Mosquero on Monday of last week has an enrollment of over forty teachers. L. C. Rhodes, Superintendent of the Raton Schools is conductor and Miss Minnie Kohn, Principal of East Las Vegas school, and Miss Dorothy Dakin of Springer are instructors. B. F. Brown is giving a course in Spanish during the institute. We are glad to see such a fine enrollment of the baby County of the State and Conductor and instructors report that the teachers are doing excellent work. A number of addresses by prominent speakers has been made during the two weeks. The one on Saturday last by State Auditor John Joerns and the one of Tuesday by State Superintendent Conway were very highly appreciated by the teachers.

The teachers intend to organize the Harding County Teachers Association which will be affiliated with the State Teachers Association.

On Friday and Saturday of this week the examinations for certificates will be held and quite a number of teachers will take the examination. The enrollment up to Monday morning was as follows:

MOSQUERO: Miss Maschelle Caddell, Mrs. Harry Kingsbury, Miss Mary Duran, Rev. F.O. Burnett, James Pitman, A.E. Brown, Mrs. Francis Smith, Mrs. Jay Bradley, Miss Ninabelle Spivey, Miss Laura Kerchoff, Walter C. McFarland, Miss DeLila Burton, Orrin Beatty, Ted R. Little, Miss Ted R. Little, Rev. Chas. Massagge, Mrs. Chas. Massagge, Joe F. Trajillo, Mrs. Edna Bradley, Mrs. Elizabeth DeWeese, Mrs. Grace Shayer.

ROY: Miss Jessie Fender, Miss Irene Nowlin, M. A. Chavez, Mrs. Florence Weisdorfer, Miss Mary Lee Dukeminier.

OCATE: D. C. Clark, and W. A. James.

MILLS: Leona Porter and A. L. Newman.

SOLANO: Mrs. Bertha West and Mrs. Ethel Ladd.

CLAYTON: Miss Zilpa Mason and Miss Ena Ayles.

ABBOIT: Mrs. R. H. Smith.

TULAROSA: Miss Floy P. Packer.

GALLEGOS: Mrs. W. Chas. Cason.

ALBERT: Jose Lino Padilla.

GLADSTONE: Miss Isola Jordan.
